Your Place in the Sun!

CHOOSING THE RIGHT RENTAL FOR YOU!

Picking the right houseboat rental can sometimes be a daunting task, particularly for those who are new to this unique vacationing experience. State Dock offers 12 different models of houseboats; all with their own features, sizes and costs.

Budget

There are a few different factors to consider here, and the first thing that must be said is to set the budget and stick to it. No matter how fun the week is on a pricier rental, you'll be kicking yourself after it is over when you are juggling finances to accommodate a bigger expense than you planned for.

That doesn't mean you shouldn't shoot for the houseboat you really want. If you're dying to try out a newer luxury model or you want to extend your vacation by a few more days, just check out the pricing available during different times of the year. Perhaps tweaking your vacation schedule means you can add on a few more days or enjoy a houseboat with more amenities.

Multiple Boats

In some situations, one houseboat just isn't enough. Perhaps you have two families that would just prefer their own privacy or you've got just a few too many people that you don't know what to do with. Multiple houseboats could be the way to go. Plus, with the multi-boat discount you'll receive, the final cost may work out better than just one larger boat.

There is a lot to consider when choosing the right houseboat! If you have any questions, we are happy to answer them for you.

One final thing, remember to make your reservation early, so you are able to reserve the houseboat you would like, for the time period you desire.

Amenities

All of our houseboats are stocked with bed linens, towels and kitchen utensils. Some amenities are only found on certain models. For example, only a few of our upper tier boats have satellite TV on board. Want a hot tub on your boat to fit your whole crew? Our hot tub capacities range from 8 to 12 people.

Other amenities you may wish to have may include clothes washers and dryers, dishwashers, party tops, or a fly bridge. Evaluate the needs of your crew and compare your list with all the features offered on our houseboat amenities chart on page 29.

Size

Do you have a few people or a boatload of family and friends vacationing with you? Choosing the right size of houseboat will depend on the amount of sleeping areas needed. Check out the recommended sleeping capacity first, keeping in mind how comfortable your guests are with sharing. If privacy is key for comfort, consider a bigger model with more rooms.

TRIP-PLANNING TIPS

So you're planning a houseboat vacation and your crew is striking out somewhere new onboard a fabulous houseboat rental! Pulling together a houseboat trip is an absolute blast, but if this is a new type of vacation for you, here are a few helpful tips.

Triple-check the list of what's already supplied on State Dock houseboats so you don't waste space bringing things you don't need and—even worse—forget things that aren't provided. As an extra, bringing your own pillows can sometimes help you feel more comfortable and sleep better at night.

Renting in a group? Try coordinating among yourselves so you only bring so many sets of sun lotion, aloe vera, hair dryers, etc. You really don't need fifty extras of supplies like this onboard, and it'll save that much more space for everyone.

If you're bringing along little kids, help keep them feel comfortable by not forgetting that special blankie or toy. It'll add a nice homey touch to an exciting but strange place and can help the kiddos relax a little better, especially at nighttime.

Be real about your wardrobe. Will you really be wearing more than swim shorts and a t-shirt for most of your vacation? As a general rule of thumb, trim that suitcase down.

If your group is into music, don't forget to check out whether your rental has a docking station and what devices would be compatible.

Choose your travel crew wisely. Remember, you'll be brushing elbows with these people for a good couple of days, and there aren't too many places to retreat to when you're sharing a full houseboat!

Bring lots of favorite board games, electronic games, books, and movies for those rare down time moments. There's so much to do on the lake, it seems like you'll never have down time.

But after dark or when the afternoon sun may be too hot in the middle of the day, it's nice to have backup activities to keep yourselves entertained and enjoy your vacation just a little bit more.

A SUNTEX EXPERIENCE

Welcome to your home away from home on the **BEST LAKE IN KENTUCKY!**

Welcome to State Dock! Walk the dock and talk to our customers before you select a marina. You'll see and hear why State Dock is growing. The slips are metal structures with 12' wide main walkways and concrete decks. The entire marina is splinter-free with either composite or concrete decking.

Don't forget to visit our sister marina, WOLF CREEK MARINA. It's only a short 10 minute boat ride away. You'll find the same great service at Wolf Creek that you've come to expect at State Dock! While you're there, be sure to stop into Fishtales, the best restaurant on the lake.

State Dock

WELCOME TO THE NATION'S
ULTIMATE
POKER RUN

SEPTEMBER 6-8

The 12th annual Poker Run hosted at State Dock lived up to its name as the largest event on the Lake Cumberland. This end of season spectacular was another amazing weekend that showed why State Dock knows how to throw a party!

Starting on Friday, the 168 registered boats started hitting the lake hard to put together a poker hand that would hopefully get them the winning combination and maybe a chance at the \$10,000 prize pool!

Saturday was even better with perfect weather and warm water all over the lake. Some poker runners like to do the solo trip to the 8 other marinas on the water, while some travel in packs throwing up rooster tails you would have to see to believe!

No Poker Run trip is complete without a trip to Harmon Creek. This legendary spot on Lake Cumberland is party central during Poker Run weekend! Perhaps in the running for world's largest raft-up, you'll find a few thousand boats coming together to create the longest party you'll ever see on the water! It's loud engines, sweet music and more beads here than all of New Orleans!

On the water is where all the action takes place, while State Dock is where all the fun is. These one of a kind super-charged power boats are parked along the dock for spectators to come and admire.

Saturday night was when the real party started as the Mardi Gras on Lake Cumberland kicked in to full effect down boatel row with lights flashing, music bumping and people having the time of their lives on the dance floor. Meanwhile on the other end of the dock, supergroup Parrots of the Caribbean were jamming to the longest playlist of Jimmy Buffet songs you've ever had the pleasure of chilling out to.

The Lake Cumberland Poke Run has earned quite the reputation and the crowds we get year after year only proves that we just keep doing it better! It's something that can only be experienced to really be appreciated. Make your plans now to attend the next one!

TRIP ADVISOR REVIEW, NOVEMBER 23, 2017

We rented the 600 series with 6 adults so we all had a sleeping room and changing room. The boat has everything you need except food. The lake is beautiful and the scenery is awesome. We went during end of September and received a really good price but it is not terribly expensive for what you get...

EXPERIENCE THAT WILL MAKE YOU WANT TO COME BACK.

TRIP ADVISOR REVIEW, AUGUST, 9 2017

We rented a 750 and had 6 Adults and 7 grandchildren. What a wonderful experience . This was our first time out, and had a great week on the water. The houseboat was very nice and clean. They have a lot of help on the docks and very nice people to talk with and give you ideas on where to go on the river. I would say , if you want a vacation that you can have the whole family together for a week, this is it. Fantastic !! We will be doing it again in the future.
